Monday - Thursday 9:00 am - 5:00 pm
Friday 9:00 am - 4:00 pm
(Closed from 12:00 to 1:00 pm for lunch)
ECONOMICS MAJORS ON THE DEAN'S & PRESIDENT'S LIST

Dean's List
Students are named to the Dean's List if they receive a GPA of 3.50 to 3.75 for the semester. The Department of Economics congratulates the following majors for earning this distinction in the Fall 2012 semester:

In Economics: Sami Ayman Abdul Hadi, Paul Bakker, Christian Blabagno, David Endow, Michael Giron, Nemanja Jokanovic, Eduardo Lopez, Landy Montaner, Huy Nguyen, Megan Porter, Dominique Rustad, Margaret Shintaku, Brandon Villalpando, Patrick Ycaro, and Jesus Zambrano.

In Mathematical Economics & Economic Theory: Rogelio Gutierrez, Jr. and Bryan Portillo.

In Business Economics: Rafael Batista, Jr., Brittney Gibo, Rachel Newsom, and Annette Nunez.

President's List
Students are named to the President's List when they earn a GPA of 3.75 or above for the semester. The Department of Economics congratulates the following economics majors who earned this distinction for the Fall 2012 semester:

In Economics: Lauren Ash, Robert Au, Sean Babin, Jennifer Baez, Nicholas Conlon, Hung Duong, Sarah Engelke, Stephanie Garcia Marquez, Dulce Gonzalez, Victor Lee, Armando Lopez, Jimmy Lopez, Alexander Quibilan, Mauro Trujillo, Cody Upcraft, Sanchita Warty, James Whitaker, and Jie Zhong.

In Mathematical Economics & Economic Theory: Allison Gallagher, Qui Pham, and Minako Yamamoto, and Robin Yancey.

OMICRON DELTA EPSILON
Omicron Delta Epsilon (ODE) is the International Honor Society in Economics. To qualify for membership, you must have an overall GPA of 3.0 or higher and an interest in economics. You do not have to be an econ major, but you must have completed at least 12 units in economics with a "B" average or better. The initiation fee entitles you to a membership scroll and a one-year subscription to the journal The American Economist published by ODE. Information and applications are available in the department office.

PREREQUISITES & REQUIREMENTS FOR ECON 310, 311, AND 380
REMINDER - The prerequisites and requirements for ECON 310, 311, and 380 will be required. Students must complete ECON 100, ECON 101, and MATH 115 or 122 with a grade of “C” or better. Students who have not completed these courses with a grade of “C” or better will not be able to register for ECON 310, 311, or 380. Students currently enrolled in ECON 100, ECON 101, or MATH 115 or 122 will not be able to register for ECON 310, 311, or 380 until their grades post. If any of the prerequisites were taken at another university or college, students may be required to provide a course description and an unofficial copy of their transcript listing the prerequisite class and the grade.

WITHDRAWAL POLICY
It is the student's responsibility to withdraw from a class. Instructors will not drop a student from class, regardless of whether or not the student attends class. The deadline to drop a class is Friday, April 19, 2013. Drops after this date are not permitted except in cases such as accident or serious illness. Students should keep in mind that if they fail to withdraw from a class they never attended, a "WU" will be assigned for the class. A "WU" is an unauthorized withdrawal and is equivalent to an "F" in terms of grade point. Please see the 2013-2014 CSULB Catalog for more information.
ACADEMIC PROBATION

Undergraduate students are placed on academic probation when their cumulative grade point average in all college work attempted and their cumulative grade point average at CSULB falls below 2.0 (C). Students will be removed from academic probation when their cumulative GPA is 2.0 (C) or higher. Students who remain on academic probation for two consecutive semesters are subject to academic disqualification.

CREDIT/NO CREDIT GRADING

An economics major may not take classes that are required for the major with credit/no credit grading; however, other courses may be taken credit/no credit, subject to limitations imposed by the university and other departments. The university allows a student to take no more than a total of 24 units credit/no credit, of which no more than 12 units may be upper division. No more than 8 units per semester may be taken on a credit/no credit basis.

REPEAT-DELETE

You may repeat a course you received a D, F, U, or NC for the purpose of excluding the grade from grade point determination. The course must have been taken at CSULB and students may repeat the course once without prior departmental approval. Although the first grade will appear on the student's transcripts, only the grade received on the second attempt will be used in grade point determination. Courses in which students received a CR or C grade or better may not be repeated. Please see the 2013-2014 CSULB Catalog for more information. Please note that graduate students are not eligible for the Repeat-Delete policy.

GRADE APPEALS

Occasionally, a student will disagree with the grade that has been assigned in a course. What should you do if this should happen to you? The first step is to discuss your grade with your professor. By checking with your professor, you may find that a clerical error may have occurred. If, after talking with your professor, you are still dissatisfied with your grade, you may appeal the grade in writing to the Department of Economics. According to the 2013-2014 CSULB Catalog: "Appeals are limited to situations in which the student believes the grade was 'prejudicially,' 'capriciously,' or 'arbitrarily' assigned. The appeal must be initiated within the first regular semester after assignment of the grade.

ENROLLMENT SERVICES

If you have questions regarding admissions, financial aid, graduation, transcripts, educational leave, or registration, you should visit the service windows at BH-101.

ATTENTION NEW AND CONTINUING STUDENTS

Students are responsible for noting all dates, deadlines, rules and regulations printed in the CSULB Catalog and in the Schedule of Classes.
