

California State University, Long Beach
College of Liberal Arts
Department of Geography

The Department of Geography at California State University Long Beach is seeking to hire a part-time lecturer with specialization in remote sensing. The successful candidate may teach introductory and upper division courses including but not limited to remote sensing (GEOG 473), Geographic Applications of Remote Sensing (GEOG 475) and a course in our Master of Science in Geographic Information Science (GISC 606 – Applied Remote Sensing). Additional courses may include Enterprise GIS (GEOG 484 and/or GISC 604), or others depending in the successful applicant's qualifications and experience. The Department of Geography licenses ESRI ArcGIS, Erdas and ECognition software packages.

Recruitment #:

Position: Part-Time Lecturer, Remote Sensing

Effective Date: **Fall Semester:** August 17, 2020 - December 24, 2020
Spring Semester: January 25, 2021 – May 28, 2021

Salary Range: Commensurate with qualifications and experience.

Minimum Qualifications: MA in Geography or related field. Demonstrated potential for effective teaching. Ability to communicate effectively with an ethnically and culturally diverse campus community.

Desired/Preferred Qualifications: Effective college or university teaching experience, Ph.D. in geography or closely related field, published scholarship and/or paper presentations at major conferences, expertise in relevant professional/technical fields, and prior experience or familiarity with California State University.

Duties: Teach available course(s) in remote sensing, geographic applications of remote sensing, or other courses as appropriate (4-8 units/semester).

CSULB seeks to recruit faculty who enthusiastically support the University's strong commitment to the academic success of all of our students, including students of color, students with disabilities, students who are first generation to college, veterans, students with diverse socio-economic backgrounds, and students of diverse sexual orientations and gender expressions. CSULB seeks to recruit and retain a diverse workforce as a reflection of our commitment to serve the People of California, to maintain the excellence of the University, and to offer our students a rich variety of expertise, perspectives, and ways of knowing and learning.

Required Documentation: Letter of application; curriculum vita, including current email address; three letters of recommendation (within the last three years); copy of official transcript from institution awarding highest degree; summary teaching evaluations (if applicable). Finalists will be required to submit signed SC-1 form and official transcript (not student issued).

A background check (including a criminal records check and telephone reference check with most recent employer) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

Application Deadline: Position open until filled (or recruitment canceled). Review of applications to begin no later than April 1, 2020. Application, required documentation, and/or requests for information should be addressed to:
