KCBS/KCAL – Looking for Interns

We are looking for energetic, inquisitive, and bright students to intern at the nation’s largest television duopoly, KCBS/KCAL. Students will get training and exposure to different aspects of a newsroom, including reporting, producing, assignment desk, and web duties. Students interested in a summer internship should email a cover letter and resume to Jessika Ming jaming@cbs.com by May 14, 2010.

Students must be enrolled in an internship course. Our interns are not paid, and must provide their own transportation to our newsroom in Studio City.

Thanks,
Jessika Ming Yonekawa | Executive Producer | KCAL9/CBS2 | 818.655.2272 | jaming@cbs.com
