A Special Group of Students that form the MUN Team

The CSULB, or better known as Beach MUN, is not just a student organization, but an academic team! It is a chance for students to learn in a different way, through experience, travel, and to meet people from all over the world using skills learned in class. Beach MUN provides students a chance to take classroom skills and use it on simulated conferences in other countries such as Germany and Canada.

Unique Experience

What better way to learn? To travel, meet people, and experience something unique. Beach MUN is not just a course, it is understanding how the United Nations operates. The simulations and conferences are meant to train students, challenge, and use skills such as crafting a resolution paper.

About MUN?

Are you a CSULB student looking to join a student organization? Here’s what Model United Nations can do for you:

- A chance to compete with students from around the world
- Opportunities to travel in the United States and abroad
- Develop a diverse group of close friends

Meet people from all over the world...

Beach MUN is open to all Majors
We invite all undergraduate and graduate students to come and participate.

Conferences
OCMUN (Goldenwest CC, CA)
UCSG (UCSB Campus, CA)
BIMUN (Bonn, Germany)
McMUN (Montreal, Canada)
UCR (UCR Campus, CA)
MUNFW (San Francisco, CA)
